

ETHAN MARTINEZ

Solar Technician

PROFESSIONAL SUMMARY

Solar Technician with a decade of comprehensive experience in the installation, maintenance, and optimization of photovoltaic systems. Adept at enhancing energy production while maintaining strict adherence to safety and environmental regulations. Driven by a passion for renewable energy, I am committed to delivering innovative solutions that promote sustainable practices in the solar industry.

WORK EXPERIENCE

Lead Solar Technician Jan / 2018-Ongoing
Maple Leaf Consulting Toronto, ON

1. Installed and maintained photovoltaic systems, ensuring optimal performance and compliance with safety standards.
2. Conducted site surveys and assessments to determine the best installation practices.
3. Collaborated with a team to complete projects efficiently, adhering to timelines and quality standards.
4. Performed routine maintenance and troubleshooting on solar panels and inverters.
5. Educated clients on solar technology benefits and system operation.
6. Developed and implemented safety protocols to minimize risks on job sites.
7. Monitored system performance, identifying and rectifying issues proactively.

Solar Technician Jan / 2015-Jan / 2018
Cactus Creek Solutions Phoenix, AZ

1. Executed the assembly and installation of solar panels, ensuring adherence to specifications and safety standards.
2. Managed inventory and logistics for solar components, ensuring timely availability of materials.
3. Utilized power tools and equipment safely and effectively in various installation tasks.
4. Conducted inspections and testing of installed systems to verify performance and compliance.
5. Provided training and support to new team members on installation procedures and safety practices.

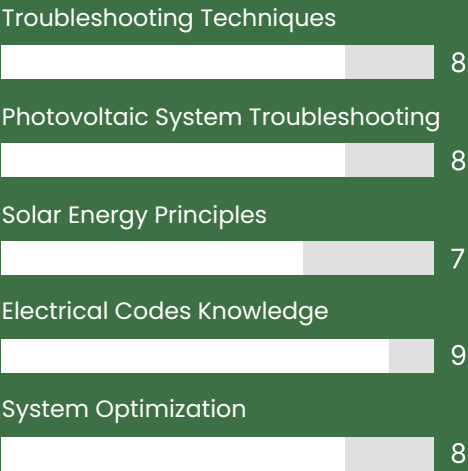

EDUCATION

Associate of Applied Science in Solar Energy Technology Jan / 2012 - Jan / 2015
Green Energy Institute Phoenix, AZ

Focused on the principles of solar energy systems, including installation, maintenance, and energy efficiency.
