Profile

An extremely reliable, friendly and responsible individual with a passion for gardening and the outdoors. Very good at following instructions, team working and communicating. Great knowledge of the gardening industry and outdoor maintenance but keen to learn new skills. Looking to return to work outdoors in gardening, cemetery maintenance or environmental cleaning in any weather.

Skills

Fit and strong with a stamina that belies my stature; an understanding of basic health and safety legislation; extremely dexterous with practical skills in the use of ladders, petrol hedge trimmers, strimmers and mowers; using hand tools such as drills, secateurs, shears etc.; empathetic, patient and understanding; time management and organisational skills; creative and able to visualise and contribute new ideas.

Qualification

DBS Certificate obtained by Wimbledon Guild in 2024

NVQ Level 1 in Amenity Horticulture at NESCOL

- included health and safety
- gardening work experience at Chessington World of Adventure
